Welcome to the Fairy Garden Club

♡

We're so happy you've found your way here!

The Fairy Garden Club is a little corner of
The World of Poppy where magic,
kindness and imagination are always close by.

From time to time, a little fairy magic may
flutter into your inbox—perhaps a special letter
from Rosalie, a new activity to enjoy,
a seasonal surprise, or news from
Poppy and her friends.

There's no need to check in every week.
The magic will simply arrive whenever
there is something lovely to share.

Thank you for joining us.
We can't wait to share this magical
adventure with you!

*With a little sprinkle of fairy magic,
Poppy, Rosalie & Friends*
